How do you get from “I do” to “happily ever after”? It can be done, even in today’s divorce-torn society. But marriage is no fairy tale—it takes unselfish love, total commitment, a realistic attitude, and a lot of hard work.

V. Rev. Constantine Nasr, a 38-year veteran of both marriage and marital counseling, shows you how to master the art of marriage and create a lastingly joyful home and family in a discussion based on his new book *Mastering the Art of Marriage* from Conciliar Press.
